Exciting News about Sustainability at St. Chad's

Your vestry has decided to take another step in becoming the greenest community we can be! You may have noticed we are using real china cups, plates, and cutlery! This reduces our waste stream, saves money on purchasing disposables, and saves the energy and resources that go into making and selling disposables. This also means we only need to compost paper napkins, brown paper plates if we use them, and food scraps. We will be using paper bags to line the compost bins.

Washing the dishes is an opportunity to serve AND to bond with your fellow parishioners! Sign up on the Narthex bulletin board if you can volunteer to wash dishes after Sunday coffee hour (11:45-12:45) from time to time. I will organize a rotation of volunteers.

Pat yourself on the back for making St. Chad's a more sustainable community! AND take advantage of the chance to pitch in and enjoy the Christian fellowship of washing dishes with new friends. For questions contact Jenny Plane at jennifer.m.plane@gmail.com.

All St. Chad's Men Invited!

Father Jeremiah and Meredith invite all of you to their home for grilled burgers, veggie options, and whatever sides/desserts/drinks you bring! Mark your calendars, bring a dish, and bring a friend. Please sign up on the Narthex bulletin board.

Pentecost Sunday - May 19

We will celebrate the Feast of Pentecost on Sunday, May 19. In the biblical account of the first Pentecost, the Holy Spirit appears in a mighty rushing wind, tongues of fire, and the sudden ability of the disciples to speak in other languages.

We would like to reenact this last phenomenon during the service. If you speak a foreign language and are willing to read a short scripture passage in that language, please contact Edwina Beard (edwinabeard@msn.com). You don't have to worry about flawless pronunciation because the foreign language readings will happen simultaneously!
